Objective

Innovative and driven CSE (AI & ML) student passionate about Artificial Intelligence, Machine Learning, and Software Development. Seeking opportunities to apply technical skills, gain hands-on experience, and develop intelligent, real-world technology solutions while continuously growing as a tech professional.

Education

B.E. Computer Science & Engineering (AI & ML)
V.S.B. Engineering College, Karur | (2023 – 2027)
CGPA: 8.48

SSLC(10th Grade)
Government Higher Secondary School |,Theni ,Tamilnadu 2021
Percentage: ALL PASS

HSC (12th Grade)
Government Higher Secondary School |,Theni ,Tamilnadu 2023
Percentage: 83%

Technical Skills

Programming Languages: Java, Python(Basic)
Web Technologies: HTML, CSS ,JavaScript
Database Technologies : MYSQL
Soft Skills: Analytical Thinking, Team Collaboration, Effective Communication Leader Ship

Certifications

- **Java Foundation** – Infosys Springboard .
- **Introduction to IoT and Digital Transformation** – Futureskillsprime Nasscom.

Internship Experience

Web Development Intern – Kevell Guru, Madurai(Offline) | Jan 2025

- Designed and implemented frontend components using HTML, CSS, and JavaScript.
- Supported web application development, debugging, and UI enhancement for better user experience

Virtual Intern – Infosys Springboard (Online) | Dec 2025 – Jan 2026

- Developed a Banking Simulation Activity Platform using Java to simulate core banking operations such as account creation, deposits, withdrawals, and balance inquiry.
- Gained hands-on experience in model development, testing, and performance analysis.

Academic Projects

- **Banking Simulation Platform Sysytem:**
Developed a Banking Simulation Platform to simulate core banking operations such as account management, transactions, and balance tracking for learning real-world banking system workflows.
- **Attendance management system:**
Developed an Attendance Management System to automate student attendance tracking, record management, and reporting for efficient and error-free academic administration..

Achievements

- **Hackathon Participant** – InclusiveAI’25, Topic: “the idea for special ability person’s” (2025) ([View Certificate](#))
- **NPTEL Examination** – course completing certificate for Machine Learning ([View certificate](#))
